

Dear Friends,

I would like to let you know about a major change in the life of my family. For over 27 years, I have been privileged to know and serve you here at Mt. Hood Dental Clinic. My good wife and I have been so thankful to raise our family here in Sandy. Your dear friendship has enriched our lives for which we are sincerely grateful. Thank you!

My wife and I have been called to serve a three year mission for our church in the Philippines beginning this Spring. Although we will miss our cherished association with you, we are grateful for the opportunity to serve and excited for this new chapter in our lives.

In anticipation of this change, I immediately reached out to a respected friend and colleague, Dr. Jeremy Kato – someone I could trust to treat your dental health needs with the same high quality and compassion to which you are accustomed. Beginning April 4, 2022, Dr. Kato, a longtime Sandy resident, will be carrying on the practice of Mt. Hood Dental Clinic. I have personally known Dr. Kato for over 15 years and know him to be an outstanding dentist and a man of great character. Along with our wonderful longtime staff, I am confident that Dr. Kato will continue to serve you with the dental expertise and caring you deserve.

Dr. Kato is a native Oregonian and a graduate of Clackamas High School. He and his wife Selena met at Brigham Young University, where they both earned bachelors of science degrees. After graduating from the University of Maryland Dental School in 2007, they moved their young family to Sandy where they have been ever since. They have 4 children; Brayden, Audri, Makenna, and Ian. In addition to a wide array of standard dental procedures, Dr. Kato

has advanced training in dental implants and clear aligner orthodontics and is a dentist of the highest standards. He has owned and worked in his dental practices for 15 years and understands the time and skills required to successfully operate Mt. Hood Dental Clinic. I am grateful that he was able to make this permanent transition to serve patients in his hometown. I am confident that when you experience his easygoing personality, approachable disposition, and caring nature you will see why I trust him. Rest assured you are in great hands with Dr. Kato.

Thank you again for your support and friendship. It truly means the world to me and my family!

Sincerely,

A handwritten signature in black ink that reads "Paul S. Hansen". The signature is written in a cursive, flowing style.

Paul S. Hansen, D.M.D.
